DIR. JEREMY R. BARNES
Director-General
National Museum of the Philippines
Manila

Dear Director Barnes,

Warm greetings!

Firstly, I would like to thank you for accommodating my inquiry on the scientific importance of my collection of Piloncitos. This is in furtherance to my continued interest on the uniqueness of the collection relating to the provenance of our tool for trading in the Philippines.

As a collector, I have this good selection of fine, quality heritage material in my possession which I have decided to offer to the government for sale and be included among instruments for exhibition that will help educate Filipinos for more patronage of our heritage.

I would like to offer the collection, all 37 pieces of PILONCITOS for a lot price of ONE MILLION FOUR HUNDRED THOUSAND (P1,400,00.00) PESOS, which price does not even come close to the prevailing market both locally and internationally. This is just to consider the acquisition cost and the minimum expense incurred among others in their purchase in 2018. As a cultural enthusiast, I know it will be an important addition to your collection having considered its rarity.

I will put together a folder of information and shall be available at any time should we proceed with the discussion of the sale. Please be at liberty to check the industry regarding acquisitions of this type of collection for your consideration.

Thank you for your time and with assurances of my highest esteem to this institution, I remain,

Very respectfully yours,

E - Sigurd
